(c) and (d) The mintenance works carried by Doordarshan Kendras/All India Radio Stations under the head "Minor works" are of short gestation period and are generally completed during the year in which funds are allotted. Records of such minor works is not maintained centrally.

Uplinking and Regulation of Cable Operators

2291. SHRI AKHILESH DAS:
SHRIMATI VEENA VERMA:
SHRI RAJUBHAI A. PARMAR:

Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether Government have taken a final decision on second stage uplinking and regulation of cable operators;

(b) if so, the details thereof; and

(c) the steps taken in pursuance thereof?

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BAROADCASTING (SHRI MUKHTAR NAQVI): (a) to (c) No Sir. Action has been initiated to expand the scope of uplinking in its second phase and amending certain provisions of the Cable Television Networks (Regulation) Act, 1995 with a view, interalia, to bring the programmes of "free to air" foreign satellite channels also within the ambit of the prescribed programme/advertising code of the Cable law when transmitted through a cable opeator.

Ban on Vulgar Advertisements

2292. SHRI SANJAY NIRUPAM: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether keeping in view the bad effect on society and youth, Government propose to impose a ban on vulgar and bad taste advertisments in print and electronic media;

(b) if so, the deails in this regard; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BAROADCASTING (SHRI MUKHTAR NAQVI): (a) to (c) With regard to advertisement, All India Radio and Doordarshan strictly adhere to their Code of Commercial Advertisements. Under this Code, no advertisement having indecent, vulgar, suggestive, repulsive or offensive themes or treatment is permitted. The programmes of foreign satellite channels are uplinked from outside the country and, therefore, do not presently fall within the ambit of the Indian laws, unless decoders are required for their reception. However, Government have initiated steps to bring certain amendments to the Cable Law to ensure that cable operators who re-transmit free to air channels also will have to adhere to the programme and advertising codes of the Cable Law.

In matters relating to the Press, the Government pursues a policy of non-interference so as to uphold the freedom of the Press. The Press Council of India, an autonomous statutory body set up to preserve the freedom of the Press and improve the standards of Newspapers and news agencies in India has, however, laid down norms of journalistic ethics which, inter-alia, include norms relating to obscenity and vulgarity to be eschewed in print media.
